HAZARDS

Safety Precautions

Personal Protective Equipment

- Wear disposable gloves while cleaning. Discard gloves after use. Wash hands frequently, before and after gloving with soap.
- Eye protection (Scrub Free Bathroom Cleaner and Disinfectant)

Equipment Required

- Spray bottle (Disinfectant)
- Scrub Free Foamer Bottle
- Microfiber cloths
- Toilet brush
- Non-scratch pad
- Mop, mop bucket, wet floor sign
- Broom, dustpan

Training Required

These chemicals are only to be used by staff who have received full training, which includes:

- Reviewing this safe operating procedure
- Workplace Hazardous Materials Information System (WHMIS)
- Reviewing the product label for usage information
- Hands-on training and sign-off on Training Acknowledgement Form

Operational Procedure

If visibly soiled, surface must be cleaned and rinsed before disinfection. Work top to bottom. Thoroughly wet surface with a registered disinfectant. Surface must remain wetted per instructions for disinfection.

Frequency

- Twice a day

Procedure

- Place wet floor sign at entrance.
- Evaluate restroom and remove debris from floors and counters.
- Spray disinfectant (and do not wipe) on all bathroom hard non-porous surfaces and touchpoints (sinks, shower/tub, countertops, door handles, soap dispensers...etc.).
 - Please refer to MyClubLink for a checklist of washroom high frequency touch points.
- Wipe bathroom hard surfaces and touch points after required disinfectant contact time or allow surfaces to air dry.
- Restock supplies and empty trash.
- Clean mirrors, glass and windows.
- Scrub toilets and urinals. Please refer to specific SOPs on MyClubLink for details.
- Clean and disinfectant floors and apply odor control product (as needed).
- Inspect for quality and remove floor sign when floor is dry.

Need More Information?

Refer to product label for usage information related to safety, PPE requirements, dilution and surface compatibility. Refer to the Safety Data Sheets (SDS) for comprehensive information about product hazards and safety precautions.
